PRESS RELEASE

July 13, 2011 @ 3:00pm

Warren County Sheriff Kevin Harrison reports the arrest of a 50 year old man from Warrenton Missouri on July 12, 2011 for charges of Forcible Rape, and Tampering with a Victim. The suspect was identified as:

Tony H. Mann, W, M, 50 Years Old
27000 Block of Reel Road, Warrenton, Missouri
Forcible Rape & Tampering with a Victim
\$110,000.00 Cash Bond

The charges originated from what began as an off-duty deputy checking on a pedestrian to offer assistance around 6am on July 10, 2011. WCSD Deputy Eric Schleuter was driving home after working overnight security at the Warren County Fairgrounds and observed the victim walking on South Highway 47 near College in Warrenton. Due to her appearing to be very upset Schleuter made contact to see if she needed assistance. At this time the victim, a 28 year old female from Warrenton, reported that she had been raped. WCSD Detective Aaron Sutton was contacted to handle the investigation and determined that Mann had transported the victim to a location east of Warrenton to go swimming. When the victim requested to leave Mann attempted to pull her into the pool. When the victim struggled to escape Mann tripped her causing her to fall on the concrete around the pool fracturing her wrist. Once on the ground Mann then forcibly removed her clothing, punched her several times, and began to have forcible intercourse with her. The Tampering with a Victim charge is the result of Mann threatening the safety of the victim and her family if she reported the incident.
